Ed Pedi Photography Celebrates 30 YEAR Anniversary

It's hard for us to believe that we've been creating family & children portrait memories for 30 years. There is an old saying that reads: *'Time fly's by when you're having fun'* and we can certainly attest to that! We truly love our job and all our clients who make it possible!

It has been a privilege for us to have played a role in preserving so many wonderful family memories for the past 30 years. From weddings, to newborns, to families and extended family portraiture. We feel truly blessed to enjoy a career that has not only given us great joy but has also brought joy to our clients. Throughout 2022, we'll be featuring a # of special offers to commemorate this milestone and we're kicking off our special offers with the following specials.

March 1 - 31st — 30% OFF Portrait Reorders
